

### **Canalta Hotels Contingency Plan for Accommodations**

We understand that in these unforeseen times that accommodations may be needed to house essential services to keep operations running. We are here to help and have comprised a proposal for your review of how we can assist our communities to continue running essential services. Below we have a comprehensive proposal of our facilities.

#### **Hotel use per night:**

For rates and availability, please contact a member of the sales team to discuss your particular needs.

Exclusive Whole Hotel Rental available by day or by week, depending on location.

#### **Weekly Cleaning:**

Guest Room: Housekeeping will be offered based on client request and individual contract.

During this pandemic we have implemented a more rigorous and thorough cleaning process in addition to our already high standard cleaning practices. These include but are not limited to the following:

- Ensure that frequently touched objects are cleaned and disinfected. Public areas and items in the breakfast rooms watched closely and cleaned several times daily.
- High Touch Areas are:

Light or power switches	Faucets and toilet flush levers
TV Controls and remote controls	Door handles and push plates
Lamp switches	Drapery pull handles
In room safety latch and peep hole	Desk and breakfast room chairs
Soap and paper towel dispensers	Elevator button panels
Pens used at front desk	Coffee and water stations
Fridge and freezer doors in mini mart	Trash receptacle doors
Debit Machines and Bank Machines	Business Centre Computers and Keyboards

#### **Guest Service Hours:**

Guest services will be available 24 hours a day (General Manager is on call 24/7 for all emergencies). These are subject to change based on client request and individual contract.

#### **General Amenities:**

They include:

- Complimentary BBQ for guest use on site
- Air conditioning
- FREE high-speed WiFi
